Sustainability Report 2022

**Editorial Policy**  
The JX Nippon Mining & Metals Group engages in ESG management in all its business endeavors, toward the sustainable development of society. We issue one edition of the Sustainability Report each year to disclose appropriate corporate information to a broad range of stakeholders, including customers, shareholders and investors, employees, suppliers, and local and international communities. As an important communication tool, this report is designed to enhance stakeholders' understanding of our ESG activities. The Sustainability Report 2022 is structured around the Message From the President, with an awareness of the need to both enhance corporate value and create a sustainable society. This report's presentation is also designed to be easier to understand visually by using illustrations and graphs.

- Referenced Guidelines**
- The Ten Principles and Assurance and Validation Procedure International Council on Mining and Metals (ICMM)
  - GRI Sustainability Reporting Standards (GRI Standards), Global Reporting Initiative (GRI)
  - Environmental Reporting Guidelines 2018, Ministry of the Environment
  - Task Force on Climate-related Financial Disclosures (TCFD)

 The indicators in this report that are assured by a third-party organization are marked with a check.
